Subject: Handover of the old apartment

Dear Mr Petersen,

thank you for your quick reply. I would like to hand over the keys of my old apartment at Birkenweg 14 on 30 September at 17:00. If this time does not suit you, you can reach me on my mobile at 0151-23456789 or my wife Sara on 0176 9876 5432.

The walls have been painted and the carpet in the bedroom has been removed as agreed. Please transfer the deposit back to my account ending in 0130 00.

Kind regards,

D. Kessler

Reply from: Jonas Petersen, Hausverwaltung Nord

Dear Mr Kessler, 30 September at 17:00 is fine. Please bring all keys, including the cellar and mailbox keys. We will write a handover protocol together and check the meter readings for electricity and water.

Moving Checklist

Moving to a new apartment involves many small tasks. This checklist helps to keep track of them.

Four weeks before the move

Book a moving van or a moving company, collect boxes, and start sorting out things that are no longer needed. Donate usable clothes and furniture instead of throwing them away.

Two weeks before the move

Register the change of address with the post office and inform the bank, the insurance companies and the employer. The electricity contract must be transferred to the new address; the customer number for this is EW-3390217-HH.

One week before the move

Defrost the freezer, label the boxes by room, and prepare a box with essentials for the first night: bed linen, towels, a kettle and basic tools. My brother Tobias Kessler (phone 0160 4455 6677) will help carry the furniture on Saturday.

After the move

Register the new address at the citizens' office (Bürgeramt) within two weeks. Update the address in online shops and subscriptions. Finally, enjoy the new home.
